

## Questions

1. James was brought into hospital by the Police - **Section 136** is used to transport James to a Place of Safety, this section is used if a police officer is concerned that you may have a **mental disorder** and should be seen by a **mental health** professional. Why do you think this might be a controversial issue?
2. What symptom do you think James is experiencing in the video?
3. There are other Health Professionals involved in Supporting James on the inpatient ward - Can you think who they might be?
